

*Mary Vining Chapter  
Daughters of the American  
Revolution  
Seaford, Delaware  
February, 2014*

The chapter has adopted a local serviceman who is now stationed in South Korea. This young man graduated from Seaford High School in June, 2013.

He was active in the ROTC program at Seaford High School and also an active volunteer Seaford Fireman. A young man that our chapter is proud to adopt.

**Chapter Project: Operation We Care**

Operation We Care started in 2007 as a grassroots effort by the Eastern Shore Chapter Harley Owners Group to show support and appreciation for the brave men and women around the world protecting our freedom. We also support the families here at home that are dealing with life's challenges while their loved one is deployed. The project continues with the support of Harley-Davidson of Seaford and the Delmarva Harley Owners Group Chapter. Our chapter collects items at each meeting. Suggested items: Chef Boyardee canned pop top pasta, Granola bars, hot chocolate, Instant oatmeal, microwave popcorn, pop tarts, instant tea bags, deodorant, shampoo/body wash/dental floss.

This year we have several members in our chapter that are celebrating DAR anniversaries – 70 years, 65 years, 60 years, 40 years and 10 years. Congratulations!

Mary Vining is in the planning stages of planning an event with the Nanticoke Society Children of the American Revolution for a May picnic tour with members, families and friends. Contact a chapter member for details and date.

A chapter member donated a United States Flag to the Allen Room of the Seaford Library for the Mary Vining Chapter. A plaque has been placed on the flag pole noting this.

Chapter meetings are the 2<sup>nd</sup> Saturday of the months of September, November, December, January, February, March, and April. We meet at the Seaford Public Library at 10:15am.
